

# Premium Discount Conditions

**The Premium discount**, which is personal and bears your name, entitles you to a 10% discount **on the price of the cabin** on your next cruise (port taxes, registration fees, service charge and any eventual flights not included). It can be used to purchase a future cruise - with the exception of Around the World cruises and their routes and all the Far East cruises - leaving **within 1 year** of the end of the cruise for which the discount was awarded. You may only use one discount per cabin per cruise. It is valid only for adults and only for **Premium, Samsara and Suite cabins**. It can be used in combination with the following rates and promotions: ProntoPrice, Today's Deal and CostaClub discounts. It cannot be combined with the discount voucher, other promotions and special discounts activated during the year. The **Premium Discount** has no monetary value, cannot be reimbursed and cannot be sold. It cannot be used to purchase items or services on board, or excursions. It can only be used for new bookings made individually (group bookings are excluded) and cannot be used retroactively. In order to receive and subsequently use the **Premium Discount**, you must provide Costa Crociere with your **e-mail address and/or mobile phone number** by the end of your cruise through the channels made available by the company, e.g.: by filling out the proper section inside MyCosta, by using the on board totems, or by registering with the Costa Club during your cruise.

N.B. it will not be possible to provide the necessary information to receive the Premium discount once your cruise has finished.
